

Broadwindsor Pupil & Parent Guide to return to school in September (Year 1-Year 6)

We are very much looking forward to welcoming everyone back in September. Although it may feel a bit different - it is still our school and we'll do our very best to make everyone feel as safe and happy as we can.

<p>Desk</p>	<p>All the desks will be facing forward towards the front. Each desk will seat you and usually a class mate. You will sit side by side rather than facing each other. You will have specific spaces within the classroom. We have made some changes to your classrooms to make it easier for you to see the Interactive white board.</p> <p>Anything you bring in from home (except for your lunchbox) will have to be put in your tray (KS2) or box (KS1). We ask that we keep bringing things in from home to a minimum and please do not bring toys or games from home at the moment.</p> <p>School will give you some equipment to use - this is just for you and will not be shared e.g. pencil, ruler. Other equipment such as pencil crayons and maths equipment will be shared by your class mates and we will regularly clean it. Children in KS2, you may want to bring in your own pencil case and equipment from home, but this will stay in school and must not go home. KS1 children will not need a pencil case.</p> <p>All your books will stay in your tray or box.</p>  <p><small>www.futurekids.com + 40809112</small></p>
<p>Clothes</p>	<p>You will be wearing school uniform and suitable black school shoes to school every day. We don't want to have PE kits staying at school all the time so your teacher will tell you when you will be doing PE. On those days we ask you to wear jogging bottoms/leggings or tracksuit trousers so you can exercise and go outside without having to change. You will still wear your polo shirt and school sweatshirt on PE days. Please wear trainers/plimsolls on these days too. As the weather is unpredictable, we may ask you to bring a spare set of clothes and footwear.</p> <p>Please remember to bring a named coat each day which will be hung in the cloakroom.</p> <p>We don't want lots of things in the cloakroom to make this space easier to clean.</p> 

<p>Lessons</p>	<p>You will usually be taught at your desk or outside with others in your class.</p> <p>Teachers will be able to help you but usually from the front of the class or socially distanced from you. Where we need to come in closer to you we will do this for the shortest amount of time. We are looking at different ways to mark your work to reduce touching your books. This will include: marking your own work and using equipment such as visualisers to share learning points as a class. If you get stuck on something adults will help you from a safe distance either by talking or showing you on a mini-whiteboard or interactive whiteboard. Don't worry we will still give you the answers to your work we ask you to self-mark!</p> <p>We will try to follow the normal curriculum and lessons. But initially in September we want to make sure we know where everyone is with their learning and ensure everyone is feeling happy and safe. Do not worry if you have forgot some of your learning skills, we will do lessons and activities to remind you of your prior learning and help you catch up with your class mates.</p> <div data-bbox="300 853 1189 1099" data-label="Image"> </div> <p>Within your class group you will not need to social distance from each other but you will need to try to keep your distance from adults in the room and other classes within the school.</p>
<p>Classroom</p>	<p>In September all classes will be taught in their normal classrooms.</p> <div data-bbox="284 1301 810 1659" data-label="Image"> </div> <p>Some things will have been taken outside of your classroom, to help keep you safe. For example, 'soft furnishings' like cushions in our book corners. This is because we cannot clean them daily and they are hard to clean without a complete wash. It is also so we can make as much space in our classrooms as possible.</p> <p>Surfaces will also be kept clear to allow for clean surfaces.</p> <p>The hall will be used for PE but will only be used by one class at a time and assemblies will occur in classrooms. We will use technology so all the classes can come together for Collective Worship from their own classrooms and see each other online!</p> <p>We will ensure that the windows and back doors are kept open to allow for lots of ventilation and clean air to get into our classrooms.</p>

<p>Reading books</p>	<p>Older pupils can bring in a book from home to read (ideally within your AR book range) but it will need to stay in school until it is finished.</p>  <p>Books can be borrowed from the school library or class book shelves, but we would like you to sanitise your hands before going into the library, and try to only touch the books you are going to borrow. Once you've finished your library book, it will need to go into that day's 72 hours 'wait to be clean' box.</p> <p>Children in Thomas Hardy Class (Year 1 and 2) will be able to have their books changed on a MONDAY or THURSDAY. They will need to put any books they have finished into a box in the classroom when they first come into school. These will then be left for 72 hours so they are clean to be used again. Children will be provided with a few new books on each of these days so they last until the next change over day.</p>
<p>Hygiene</p>	<p>We will teach everyone to wash their hands in the same way. This is to make sure everyone washes their hands thoroughly and does not spread germs to others.</p> <p>You may keep a bottle of hand sanitiser on your desk – but this will need to stay in school.</p> <p>You can practise at home watching this video from the BBC: https://www.bbc.co.uk/news/av/health-51754472/coronavirus-how-to-wash-your-hands-in-20-seconds</p>  <p>We will ask you to wash your hands lots during the school day:</p> <ul style="list-style-type: none"> • When you first arrive at school (using hand sanitiser) • After every cough or sneeze • Before and after snack, break and lunchtimes

	<ul style="list-style-type: none"> • After each activity or at regular points of the day <p>We will also encourage you not to touch your mouth, eyes and nose.</p>  <p>If you do fall over and hurt yourself or fall ill and need first aid, an adult will come and help you, but they will have special protective equipment, including gloves, apron and face mask.</p> <p>In the classroom adults won't be wearing gloves, face masks or other protective equipment – they should look normal!</p>
<p>Break and Lunch times</p>	<p>You will eat your packed lunch or school dinner at your table in the classroom in Key Stage 2. Younger pupils will eat their lunch in the hall but very much more spaced out and in their class groups.</p> <p>You will also eat your fruit snack at your table. Key Stage 2 pupils - You will need to bring in your own fruit snack. Key Stage 1 will have fruit provided and can order milk again.</p> <p>Any food or compost waste will have to go home with your lunchbox to be thrown away.</p> <p>Each class will have its own designated area to play in and time. On the school field you will have your own individual area to play in. We will be able to let you have some play equipment which is yours to use – for example a hula-hoop or skipping rope.</p> <p>We will stagger lunch and break times so not everyone is out all at the same time.</p> <p>Some large fixed outdoor equipment will continue to be out of bounds (or used by one group only), including the picnic tables, fort and swings. This is because we cannot clean it between different users.</p>
<p>Start and end of the day</p>	<p>We can arrive at school between 8:30am and 8:45am, but everyone needs to be in their classroom by 8.45am. Pupils in William Barnes and Jane Austen classes should arrive via the MUGA (entrance by the shop). Families with siblings can use either entrance. Adults can bring you into the school grounds but not into the classroom.</p> <p>When you arrive, you will need to come straight into the classroom from your outdoor classroom door, use hand sanitiser and then sit in your desk space.</p>  <p>There will be special places to stand in 2m apart on the playground or on the</p>

MUGA for your parents, while they wait for your teacher to dismiss you at the end of the day. You will need to leave the school grounds straight away and social distance from others. If waiting with your parents for your sibling you must stay with your parent and not wander off.

Thomas Hardy and Mary Anning classes are to be collected at the slightly earlier time of 3:10pm from the school playground. Mary Anning parents will need to wait on the bottom playground (Fort side) and Thomas Hardy on the Top Playground for their child.

William Barnes children need to be collected from the MUGA at 3:15pm.

Jane Austen children need to be collected from the bottom playground at 3.15pm (hedge side).
