14 out of 17 (82%)

Actual PE Grant spending 2018-19			
Total number of pupils on roll 102	Funding 2018/2019	£16,620	
Objective	Activity	Cost	Impact on Pupils and Evidence
1. Use Sports coach to deliver high quality weekly PE lessons and with the aim of pupils being involved in half-termly intra-competitions. Furthermore, develop our teachers PE skills through regular opportunities to observe demonstration lessons and access to tailored teaching sequences.	Coaches & class teachers work together to plan and deliver high quality Gym/Basketball lessons across Year R to Year 6. Coach to plan and demonstrate lessons.	£2600 Gym Coach £870 Basketball Coach	Teaching staff are more confident with their skills and this has led to achieving a higher percentage of pupils being at expected standard. Gym coach is not required for next year as staff now have the expertise to deliver lesson themselves.
2. Improve sporting facilities which can be used all year due to the school only having limited space for physical activity to take place	Contribution towards the cost of all-weather play surface improvements to improve sporting participation and children be active all year	£5330	Impact of this will be more in the next academic year as improvement occurred in April 2018. However all children are having access to these spaces during the week. EYFS children are more active in their space which includes daily activity sessions. Children are able to take part in sporting activities even when the field is too wet.
3. To extend extra- curricular club participation through offering subsidised fees throughout the academic year.	Fund or part-fund a range of extra-curricular activities.	£552	This has increased participation of extra-curricular clubs so that more children have

			the opportunity to engage in a range of sports such as basketball, cricket, football dodgeball. Participation levels have increased to 83% of KS2 pupils.
4. To improve the range of opportunities to be active during break and lunchtimes. Engage and target specific pupils to be more involved in activity.	Contribution towards the Play leader's salary.	£ 995	Children have the opportunity to participate in daily activities at lunchtime which allow pupils to be active for the 30 minutes of outside lunch play. Each class has had the opportunity to have one sporting activity led by the play leader each week on MUGA. This has given children a taster of a wide range of sports. At least 75% of the class have taken these opportunities each week. Also from speaking to pupils it has inspired them to join extra-curricular clubs such as football club.
5. Develop the participation of opportunities for pupils to be more involved in PE activities	Cost associated with providing extra support staff to encourage pupils within PE lessons	£1583	This has led to improving outcomes within PE lessons. Children with poor engagement within PE lessons are now more involved in lessons. Behaviour records show less incidents of low-level disruption (Yellow cards).
6.Support of Sports Coordinator to promote competition and sporting activities across pyramid.	Our Share in costs associated in providing these services by Irene Fairley and associated costs of WDSA fees (£40). Coordinator will support the competition plan and support school involvement in sporting opportunities across the partnership. Provide advice and support in all aspects of PE and Sport.	£1609.19	This supported pupils being able to have access to lots of level 1 and 2 competitions against local teams. Children attending sporting festivals as a class. As a result all Years 1-6 pupils have taken part in at least one sporting festival across the year. Sports folders in school have evidence of quotes from children. Success in Pyramid activities including coming first in Year 3 and 4 Football tournament.
7. Encouraging all our older pupils to lead PE activities by training them to be Sports Leaders.	Cost of training pupils to be young leaders and the T-shirt costs	£30	Sports leaders (Bronze ambassadors) encourage children to take part in daily activity on the playground both and break

			and lunch play.
8. Encourage sporting participation and sustain keeping children active and interested in sport by buying new equipment and replacing damaged equipment. Support in transport costs to attend a range of sporting activities.	Equipment to ensure children can take part in clubs and PE lessons	£225 (equipment)	New equipment bought has supported children in having quality experiences. This year equipment was bought for football. This enabled all pupils to play with a partner at the same time and develop their skills.
	To support transport costs in attending fixtures and festivals	£2250 (transport)	School is currently applying for a Sports Games award (Gold) which relies on the children being involved in a wide range of intra and inter-competitions throughout the year. Children have participated in a range of festivals and competitions.
9. Develop opportunities for pupils to experience one-off sporting experiences and workshops to explore being more active and leading healthy lifestyles e.g. dance festival, bikeability, swimming gala practices	Providing 'Wow' experiences which allow children to consider being more active and leading more healthy lifestyles.	£306.50	Year 6 pupils have successfully completed their bike training. Children took part in Dance Festival (see pupil comments) which enthused the Year 3 and 4 cohort.
10. Develop younger pupils swimming skills (Year 2)	Developing opportunities for younger pupils to be involved in swimming to improve skills for Key Stage 2 to meet later 25 metre target by the end of Year 6.	£270	Children have better basic water skills and children more confident in the water.
